Dear Mr. Hedberg:

Staker & Parson Companies is letting you know that we are working on a revised mining plan for Beck Street that will show a new ultimate mining limit above the one that you have seen with the submission of the JBR Plan. We anticipate it being completed in 30 days. We will then submit a copy to you and also a copy for Salt Lake City to look at.

We appreciate your patience. Please notify me if you have any further questions.

Sincerely,

Staker & Parson Companies
